

VOTE

We have \$150 to spend on Gifts for Life! Help us choose what to give by voting below for the gifts you think are most important! As you vote, imagine how your life would be different if you were waiting for basic things like clean water, reliable shelter, healthy food, and access to health care. As you vote, thank God for the gifts of life he has given to you, and pray that others will be blessed as well.

How will we spend \$150 for others?

Animals & Agriculture

These gifts help people feed their families and increase their income.

- _____ \$80 for a goat to provide milk, cheese, fertilizer, more goats, and meat
- _____ \$65 for a share of a cow to provide milk, cheese, and income from surplus milk
- _____ \$25 for a share of a flock of chickens to provide eggs and surplus stock
- _____ \$20 for a share of a pig to provide meat and income from piglets
- _____ \$35 for a share of fruit trees to provide a sustainable source of nutrition and income
- _____ \$45 for a share of seeds, agricultural training, and quality farming tools

**Episcopal
Relief & Development**
Healing a hurting world

Green Gifts

These gifts help eliminate harmful pollution and provide cleaner, more affordable energy and an enriched food supply.

_____ \$35 for an individual share of a community garden, providing a nutritious food supply (includes training, seeds and basic tools)

_____ \$50 for planting 50 trees to enrich soil and reforest hillsides to prevent mudslides

TOTAL \$ _____

- Why did you choose the gifts you did?
- Did you find it hard to choose only a few items?
- How does it make you feel to be able to provide these gifts for people?
- How are we doing God's work when we give gifts like these?
