

# Life 2.0 at St. Peter's

## Serving Others

### Activity Guidelines

All LIFE 2.0 activities are designed for families and individuals to move independently through each station. General guidelines are listed below, but you are encouraged to make the activity meaningful to you and your experience. Feel free to interact with others at the table, as fellowship is one of our goals, but we ask adults at the table to help keep the younger participants focused as much as possible.

### Secret Service Challenge

This activity challenges us to be servants of God, to those people we know and to those we don't know.

Fill out the 7-Day Secret Service Challenge Form by gluing on activities that you choose from the pile. Remember that your goal is to complete the service without drawing attention to yourself, although you can ask for help if you need it! If you think 7 days isn't enough of a challenge, go for longer! Make serving others a regular part of your life!

Email photos to [formation@stpetersfreehold.org](mailto:formation@stpetersfreehold.org) and check out our website at [www.stpetersfreehold.org/faith-at-church](http://www.stpetersfreehold.org/faith-at-church)

### Questions to Consider:

- Do you think it is important to serve others?
- Whose responsibility is it to serve people in need?
- Have you performed any service activities lately? What were they?
- Have you ever received service from others when you were in need? What was that like?
- What are some things that keep us from serving others even when we want or need to?
