

Life 2.0 at St. Peter's

Serving Others

Activity Guidelines

All LIFE 2.0 activities are designed for families and individuals to move independently through each station. General guidelines are listed below, but you are encouraged to make the activity meaningful to you and your experience. Feel free to interact with others at the table, as fellowship is one of our goals, but we ask adults at the table to help keep the younger participants focused as much as possible.

St. Nicholas Coins

Each Advent, we collect coins on behalf of children around the world who need our help. We use these coins to purchase Gifts for Life from Episcopal Relief and Development. These Gifts for Life “empower individuals and communities all over the world to transform their lives. It is truly the gift that keeps on giving.”

Like St. Nicholas, who helped poor children everywhere, we will choose gifts from among the following categories:

- Animals & Agriculture
- Basics for Life
- Health & Wellness
- Economic Opportunities
- Green Gifts

Questions to Consider:

- Which gifts did you choose? Why do you think these are important to give to others?
- Looking at the categories on the left, can you think about how they play a role in your life?
- Imagine being receiving a gift such as this. How would it make you feel?
- Why do you think it's important to give to people we don't even know?
- How are people all over the world “our neighbors”?
